

Hydraulic Hoses - H1 SO

Product information

Holmatro hose for high pressure hydraulics. No coupler(s) included

Features & benefits:

- Suitable for high pressure hydraulics / max 700bar working pressure
- Anti-kink spring on both sides
- All hoses are individually tested during the production proces.
- Safety factor 4:1 - resulting in a 10 year lifespan.

Standard supplied with:

- Hose connection A = 3/8" NPT male
- Hose connection B = 3/8" NPT male
- Already filled with oil.

Also available:

- Hydraulic cylinders
- Hydraulic pump units 700bar to control the cylinder(s)
- System components to complete your hydraulic system

Available on request:

- Different lengths.
- Other colour.

Code	Size	max. working pressure bar / Mpa	hose connection A	hose connection B
H 1 SO	1 m	720 / 72	3/8" NPT male	3/8" NPT male
H 10 SO	10 m	720 / 72	3/8" NPT male	3/8" NPT male
H 2 SO	2 m	720 / 72	3/8" NPT male	3/8" NPT male
H 3 SO	3 m	720 / 72	3/8" NPT male	3/8" NPT male
H 5 SO	5 m	720 / 72	3/8" NPT male	3/8" NPT male
